I'll tell you what "Ringo," with all the restrictions put on these low-levels they're not even fun anymore.

I know! Not to mention it's impossible to get any kind of real-world training out of them.

It's up to us to ensure we develop our skills as we see fit! If we're going to defend our country, we need to always be at our best!

AMEN! Otherwise, the freedom our forefathers handed down may be in jeopardy! ...also low-levels will be real boring.

On the route...

Stby... stby... Mark! Clock's running.

Simulated SAM threat! I'm getting down in the weeds and putting some knots on!

Now hold still, Maw... I want to get y'all in the picture.

Alright, Paw...

ROAR!

= CLICK =

Minutes later...

SDO, when Dangerboy and Ringo get back, have them report to me ASAP! CAG is furious! They killed more chickens than Frank Perdue on that hop!

I wonder if it's the same guy who just called and said we bought a cow.

Hey, those people are waving to us!

The American farmer is the biggest patriot known to this country! They love us! I'll tap burner for 'em.
